History of IHSAA Swimming Championships

From 1968 to 1974 the state meets were sanctioned by the Division for Girls' & Women's Sports and the State Girls Athletic Association (G.A.A.). There were 14 events and each contestant could enter no more than four different events. You could enter five people on a relay, only four of which actually swam. Unlimited contestants from each team in any event and each school could have two relay teams. There were sectionals, regionals and then State. Four individuals advanced from each sectional to the regionals. Two individuals advanced from regionals to the State.

The 1st Annual IHSAA Girls' State Swim Meet was held at Warren Central on March 14-15, 1975. Ninety-four schools participated in the sectionals and seventy-four of them advanced to participate in the State Meet.

The 2nd Annual IHSAA State Meet was also held in 1975 but it was in the fall of 1975. It was held at a new location and at a completely different time of year. The site was on the campus of Ball State University in Muncie, Indiana on December 12-13, 1975. There were ten sectional sites.

In 1976, the format of events changed dramatically. All of the 50 yd. events were dropped except for the 50 yd. freestyle and the 400 yd. freestyle was changed to the 500 yd. freestyle. There were 11 sectional sites with 121 schools starting competition.

In 1978, the season was changed. It was shortened by almost four weeks from December 13 to November 17. A total of 147 schools participated in 14 sectionals. There were 553 athletes representing 89 different schools in state competition that year.

In 1982, the 9th Annual IHSAA State Meet was moved to its present location, the Indiana University Natatorium on the IUPUI campus in Indianapolis. A total of 163 schools began competition at 15 sectional sites. There were 571 lady athletes representing 98 schools at the state meet. The I.U. facility size changed the scoring from 12 places to 16 places increasing team scores and the number of participants able to compete at state.

In 1984, the way swimmers and divers advanced to the state meet changed because of the number of teams in competition. Only the individual sectional champ in each event (it used to be 1st & 2nd) plus any contestant who equals or betters the state time standard in their respective events in the sectional finals can advance to state. Then the next fastest number of contestants to bring the total number of entrants to 32 in each event will advance. Three divers from each sectional site earn a way to state also.

In 1987, Heidi Hendricks of Logansport became the 1st individual to win eight events in her swim career in 4 different individual events. Six of her swims were record-setting performances closing out her illustrious high school career. Carmel scored a record 304 points to win the title making them the first team to score 300 points.

In 1990, the swim season was again shortened this time to November 2-3, 1990. The introduction of the newest event to high school swimming became the 200 yds. Freestyle Relay. This increased participation and a team's score by as much as 40 pts. at the state level. No contestant may participate in more than four events, of which two must be relays. A relay is an event. A contestant may enter three relays and two individual events, but may only participate in two relays and two individual events. A contestant may enter and participate in three relays and one individual event.

In 1993, the 20th Annual IHSAA State Meet saw a record setting 20 swim sectionals, with 206 schools starting sectional competition. There were 3,254 lady athletes representing those schools.

In 1995, the introduction of the 1st diving regionals proved to be a success in limiting the number of divers advancing to State, making it congruent with the numbers of qualifiers in swimming.

The Carmel swim team holds a special place in IHSAA history by winning the 22nd annual State swimming & diving title, which is their 10th consecutive title. No other school in any sport has put together more than nine consecutive titles. Carmel advanced twenty swimmers to the State meet with entries in every event except diving. In the 200 freestyle, 500 freestyle, & 100 backstroke events they had an unprecedented three top eight finishers and all three relays were crowned State champs.

The 23rd Annual IHSAA State swim meet brought about the fourth, and most dramatic, season change for girls' swimming. The State meet was held on February 14 & 15 of 1997 and our season became longer and colder, going from a fall to a winter sport. Please note; this booklet is now missing a 1996 year because of this change. The IHSAA moved girls swimming and diving to the winter season to give more girls the opportunity to compete in a winter sport. In previous years, basketball and gymnastics were the only girls sports available during the winter season. By moving swimming from fall to winter the IHSAA competition season is more balanced with four sports in the fall, three in the winter and three in the spring.

Carmel captured their 12th state championship and 11th in succession to add to their historic run of team championships. The Greyhounds have the longest IHSAA championship streak in any sport. They surpassed their own record of accumulating the most team points with a record 420.5 points. They had an unprecedented 4 top 8 finishes and all 3 relays were crowned State champs. Sophomore Michala Kwasny of Fort Wayne Snider and Senior Melissa Sugar of Evansville Day were double winners in their individual events. Sugar was also named Mental Attitude award winner.

The 24th Annual Indiana Girls Swimming and Diving championship was probable the most unique State meet ever. To begin with, the Carmel girls' team won their thirteenth State title, which was coincidentally their twelfth title in succession. One of the largest contributors to their victory was that Carmel once again took all three relays and 2 individual titles. Another topic that made this year's State meet unique was that there were three double winners: Michala Kwasny in the 200 I.M. and the 100 butterfly, Lacy Boutwell in the 50 and 100 freestyle, and Katie Fields in the 200 and 500 freestyle. A third point of interest was the fact that Kwasny (I.M.), Fields (500), and Carlberg (Back) all won their events for the third year in a row. Three State records were broken this year. Both Fields and Kwansy broke their own previously held records in the 500 and butterfly respectively. The 50 freestyle record, which had stood for ten year, was broken by freshman, Lacy Boutwell; the record was 23.08 and is now 22.90. This was also the first year Center Grove finished in the runnerup spot.

Carmel High School won the 26th Annual State meet making it fourteen in a row, and the North Central swim team had its first ever runner-up finish. This meet had some of the closest championship finishes ever in the 200 IM, 100 Fly, 100 Free, 200 and 400 Free Relay. Freshmen secured two championships and five runner-up finishes. The youth movement should continue as this meet speaks well for the future of girls swimming in the state. Five championships were secured by seniors which leads to 5 new individual champions next year. Jenni Anderson of Chesterton was the only junior champion successful in defending both of her titles in the 100 back and 50 free. The best race of the evening belongs to senior Laura Swander of Center Grove. She became the first breaststroker to finish under 1:02 with a 1:01.98.

Carmel extended their championship run to 15 years in a row. Their string of 15 medley relay victories was not as fortunate as they finished second to Columbus North. Leah Retrum from Columbus North was on that winning medley relay and was an individual winner in the 200 IM and 500 Free. Actually, Carmel's only State Championship win came in the closing event when Tenley Bick won the 100 breaststroke. North Central captured the two freestyle relay titles as well as Susan Hentschel, 200 free and Sara Gonzo, diving. Jenni Anderson of Chesterton became a six time winner, holding onto a three year dominance in both the 50 free and 100 backstroke. Anderson also went home with the mental attitude award. The other winners were Katherine Robinson, 100 butterfly and Lacey Boutwell in the 100 free. This was Boutwell's third title. A single-day record 2,518 fans watched the finals and the two-day attendance was a record 4,470.

Sweet sixteen & never beaten was Carmel's team slogan. It was Carmel's 17th State crown in the 28 years the IHSAA had held a girls swimming championship. Carmel started the meet with a victory in the 200 medley relay and concluded the meet with a thrilling finish to the 400 relay championships. The Greyhounds did not have any individual winners. Columbus North junior Leah Retrum was the individual star and one of the three double winners, setting meet records in the 500 free and 200 IM. Retrum shared the meet with her cousin Kari Retrum who won the diving event. Other double winners were Portage senior Kristy Siminski in the 100 & 200 free. She was also this year's Mental Attitude Award Winner. South Dearborn junior Katherine Robinson set a meet record in the 100 fly and won the 50 free, giving her four state titles in three years. Other titlists were North Central winning the 200 free relay, Erin Morris Fort Wayne Snider winning the 100 back, and Leslie VanWinkle Evansville Harrison in the 100 breaststroke.

Carmel High School won an unprecedented 17th consecutive state championship by only 18 points and their 18th title overall. The Greyhounds' margin of victory over North Central was the closest finish since the streak began. Carmel started the meet being crowned the 200 medley relay champ. Their only other title was earned by Erin Sparks in the 100 breaststroke. North Central finished 2nd for a fourth consecutive year but did so by capturing five state titles. Susan Hentschel won the 200 and 100 freestyle events and was the anchor on their winning 200 and 400 freestyle relays. North Central's fifth title was in diving. Julie Broms, who scored a state-meet record 477 points, broke the oldest record in the meet-473.30 points in 1982 by Franklin's Dana Wiegand. Leah Retrum of Columbus North held a four year dominance in the 500 free and a three year dominance in the 200 IM. She holds the state record in both of these events. Katherine Robinson of South Dearborn won the 100 butterfly record time and also won the 50 free. She finished her career with six individual state titles and the Mental Attitude Award.

As the IHSAA celebrates its' 100th year, the girls swimming tournament celebrates it's 30th state finals as Carmel HS win an unprecedented 18th consecutive title and 19th title overall. Erin Sparks of Carmel led the way by taking home four first place medals and the Mental Attitude Award. Sparks finishes her high school career as a seven time state champion. Brittany Feldman of Indianapolis Broad Ripple won the diving competition and became the first Indianapolis Public Schools' girl to win a state title.

Carmel's reign stretches to an unprecedented nineteen consecutive wins with an overall total of twenty, which were led by four different coaches. Hamilton Southeastern earned its first state runner-up finish with a total of 200 points. They also started finals by setting a meet record in the 200 yard medley relay. In diving, champion Kelci Bryant and Brittany Feldman both broke the state record. Center Grove captured both the 200 yard individual medley and the 100 yard breaststroke by freshman Michelle McKeehan. Senior Taylor Baughman defended her titles in the 50 and 100 yard freestyle, which makes her a four time individual winner and her eighth win counting her relay swims. In the 100 yard backstroke, Jeffersonville had their first state champion with Ariel Martin. Yorktown's first state champion was in the 200 yard freestyle with Margaret Bird. Christine Shehorn from North Central was named the mental attitude award winner and she also defended her title in the 500 yard freestyle.

Carmel completed its second decade of dominance as the Greyhounds extended their record string of girls swimming state championships to 20 straight years. It continues to be the longest title streak in IHSAA sports history, its tied for nations 7th longest all-time in any sport and is the longest active run. The nation longest girls swimming streak is 22 consecutive years. Carmel opened the meet by winning the 200 medley relay. It was the 18th title in the last 20 years that they opened the state meet with this victory including the 4th time in the last 5. Brittney Feldman won the diving competition for the 2nd time in 3 years. The Indianapolis Broad Ripple senior, outdistanced her nearest competitor by 48 points and she also went home with the IHSAA Mental Attitude Award. Chesterton proceeded to claim 4 of the final 7 events of the meet, which included 2 relays. Christy Grcevich won the 100 butterfly for the 2nd time in 3 years. Talar Whitaker won her first individual title in the 100 freestyle. They combined with Lipniskis and Kehe and the foursome won both 200 and 400 freestyle relays. Michelle McKeehan of Center Grove and Maggie Bird of Yorktown both won their two individual events.

By winning the 200 IM and the 100 breaststroke, McKeehan became the 4th girls swimmer to win the same individual events as a freshman and a sophomore now joining Buffy Horlander of Ben Davis, Debbie Daniel of Anderson and Lindsay Benko of Elkhart Central. Bird was successful in defending her state title in the 200 freestyle and becoming the 1st back-to-back winner in the event since Lindsay Benko won four straight from 1991-94. She added a second title in the 500 freestyle. For the first time in the 32 year history of the state finals, a tie for first place occurred in an event. Yorktown's Kelsi Hall and Jeffersonville's Ariel Martin tied in the 50 freestyle. Harrison (WL) Connolly won the 100 backstroke.

Second place finishes could not keep Carmel from winning their 21st consecutive girls state swim meet. It was an exciting meet hosted at IUPUI Natatorium. Dubbed as the fastest pool in the world, this was the 25th year of its existence. This meet made national news as Center Grove's Michelle McKeehan took the spotlight in the 200 yard Individual Medley. With a time of 1:58:06, she broke future Olympic Natalie Coughlin's national record set back in 2000. McKeehan's Individual Medley along with her 100 yard Breaststroke earned herself two state records. Hamilton Southeastern had a strong presence in the meet, placing first in all three relays, and finishing with their 2nd runners finish. Their 200 Medley Relay consisting of Maegan O'Connor, Christina Jacobs, Lindsay Rogers, and Carly Mercer set a new state record as well. Swimmers taking wins in two events included Chesterton's Talar Whitaker (100 and 200 Free) and Harrison's Jenny Connolly (100 Butterfly and 100 Backstroke). Heritage Christian made their debut with their diver Audra Egenolf taking first place.

Hamilton Southeastern started the meet with a state meet record in the 200 Medley Relay. Later in the meet four more state records would fall as well as one NATIONAL record. Michelle McKeehan, Center Grove, joins the record books with Olympian Lindsay Benko and Heidi Hendricks as the three female athletes who have won eight individual events. Harrison's Jenny Connolly won two titles in the butterfly and breaststroke events setting records in both. Carmel won their 22nd State Championship. The only two events Carmel has failed to win has been diving and the 500 Free event. Samantha Partridge erased the 500 Free by winning that event. Hamilton Southeastern finished second in the meet and finished the meet capturing the 400 Free Relay event. Four of the Indiana girls swimmers will be headed to the Olympic trials this summer.

Carmel rolled to its 23rd consecutive state titles, winning eight of 12 events and setting two national records in the 200 Medley and Free Relays. Carmel finished with a state-record 417 points, 200 more than second-place Hamilton Southeastern and finished with Jessie Hammes winning the Mental Attitude Award. They wanted to be just "LIKE MIKE" Michael Jordan and his famous #23. "UNBELIEVABLE FEELING"

Carmel more than doubled the score of its closest opponent, Center Grove, winning their 24th consecutive state title (25th overall). Trish Regan (Carmel) and Kait Flederbach (Westfield) pulled off the double wins in their individual events. Carmel won all three relays.

The 2011 Carmel swim team continued winning with 25 straight wins and 26 overall. Carmel set the national school record in the 200 medley relay. Rhiannon Sheets from Carmel set a new State Record in the 200 yd. freestyle event breaking Lindsay Benko record set in 1994. Mary Beth Dunnichay finished her senior year at Elwood setting a new diving state record beating the former record by 40 points.

It is practically an official tradition that Carmel High School Girls win the State Championship. The 2012 meet had a first time Runnerup team, Zionsville High School. Olivia Kabacinski, Chesterton became only the 12th three time winner winning both the 50 and 100 freestyle. Brittany Robinson, Wawasee set the only state record in the 100 butterfly.

It is now 2013 and the 39th annual girls state swim meet. Carmel's current mark continues to be the longest active streak in the NATION in any boys or girls sport. Carmel wins all 3 relays and sets a national record in the 200 medley relay. Claire Adams, Carmel wins two and sets a new state record in the 100 back as a freshman. Veronica Burchill, Carmel, 9th grader wins the 100 free and was on all three of the winning relays. Bethany Galat, Penn was a double winner and lead her team to a runner-up finish in the meet. Brittany Walters, Northridge won the 500 freestyle from an eighth place seed. Alex Cleveland, Zionsville won the 50 free and Indianapolis Cardinal Ritter won their first state title in Diving.

Next Stop: National all-sports record for dominant Carmel as the run hits No. 28. Nine state records were set equaling the state finals record total of 1978. Carmel set six of them, and in all six cases, the records the Greyhounds broke were their own. The 200Yds. Medley and the 400Yds. Freestyle Relay records were National Public School Records as well. Junior, Sarah Bacon defended her diving title while setting a new state record. Penn's, Bethany Galat became a 5 time winner winning the 200Yds. IM and Breaststroke shaving almost a half second off the record in the process. Crown Point finished 2nd for the first time in girls history.

The Carmel girls swim team won nine of 11 swimming events, broke national records in all three relays and won the meet with the largest point margin of 266 points over 2nd place Fishers. They sent every swimmer from preliminaries to finals and left nothing to doubt about their dominance in the nation. A record-tying 29th consecutive state championship ties with Honolulu, Punahou HS Boys Swimming (1958-86). Counting swim records broken and re-broken Carmel set thirteen new records. Lillia King of Evansville FJ Reitz won the other two swimming events and set a new record in the 100 breaststroke. She finished the afternoon winning the Mental Attitude. Brooke Schultz set a new record in Diving. The 1st State Team Champion (40 yrs) from Lafayette Jefferson was honored and the incoming class of 2015 in the Swimming and Diving Hall of Fame.

It is finally official the Carmel girls swim team now holds the National Record for the longest string of high school state championship wins of any sports team in the Nation. Dozens of former Carmel swimmers converged on the Natatorium to witness the record they help to create. Claire Adams, Carmel swam to perfection by winning two events, 2 relays and was awarded the Swimming Mental Attitude Award. Her win in the backstroke made it four in a row with a state record too. Adams became the first swimmer in Indiana history to win 16 state titles (perfect). Her team mate, Veronica Burchill won the 100yd. butterfly with a record setting performance and was a member all three winning relays. Emma Nordin, Carmel was a double individual winner. Hamilton Southeastern and Chesterton battled until the last relay with HSE finishing second by only 1/2 a point difference.

Carmel pushed their National streak to thirty one straight state titles and no one doubted they could. Chesterton captured their first ever runnerup title in girls swimming. Carmel captured all three relay championships. Carmel's Emma Nordin won her third straight title in the 500 yard freestyle and second in a row in the 200 yard freestyle. Carmel's Sammie Burchill broke a decade old record of Michelle McKeehan of Center Grove in the 200 yard individual medley and she finished runnerup in the 100 yard backstroke. Carmel's Trude Rothrock finished runnerup in the 200 yard freestyle and won the 100 yard butterfly. Kelly Pash was the other Carmel champ in the 100 yard freestyle. Bloomington South's Grace Haskett was a double winner in the 50 yard freestyle and 100 yard backstroke. Yorktown's Emily Weiss became the 100 yard breaststroke champ for the second year in a row. She set a new state record in this event, breaking Olympic gold medalist Lilla King's record. Ivy House of Hamilton Heights won the Diving and Lauryn Parrish of Fishers was the Mental Attitude Award.

Carmel's swimmers Trude Rothrock and Kelly Pash garnered four first place finishes and two relay championships to help capture 32-straight team titles for their school (33 total). Yorktown's Emily Weiss captured a third straight title in the 100 breaststroke and in doing so set a new National Record in the event. The remaining individual champs were Julia Wolf, Bloomington South, Kay Foley, Munster, Tessa Wrightson, Zionsville, and Sara Troyer, Northridge. Alex Bader was Jay County's 1st Mental Attitude winner, This was Northridges first ever second place team finish at State and their Coach Hembree was named Coach of the Year

So dominant was this Carmel team that the runner-up and third place point totals (167.5 & 165) combined wouldn't have beaten them. Their wins total 33 in a row (34 total). They did it by winning all three relays and by taking three individual titles. Kelly Pash, Carmel completed her senior year by adding 4 more medals (12 total) and becoming a five time individual champ. Emily Weiss, Yorktown completes her senior year with a four year dominance in the 100yds. breaststroke. She remains the IHSAA state record holder and is still the fourth-fastest in national high school history. Jackie Brenn, Homestead won diving and is the most accomplished high school diver ever in IHSAA history. She finishes her remarkable high school career with two individual titles and two runner-up titles.

Carmel did it the usual way – winning all three relays, two individual titles (Lueking, 200 Free & Berglund, 100 Back) and simply overwhelming the competition with its depth to continue their 34th straight State Championship (35 total). Zionsville's Devon Kitchel was the only double winner of the meet becoming a champion in the 200IM and 100 Fly. A major youth movement at this State meet produced only one senior champion, Elizabeth Broshears from Evansville Reitz Memorial in the 50 Free and she was named the Mental Attitude Winner. Paegle from Bloomington South won the 100 Free, Casey from Fishers won the diving title, Noblesville's Huff won the 100 Breast and Mary Cate Pruitt, repeated as a champ in the 500 Free

The state finals were contested this year without spectators for the first time due to the COVID-19 pandemic. Carmel won once again and seven of eight defending state champions defended their events. This tied a state record which was also reached in 1980, 1987, and 1993. The Carmel team set a record of outscoring the second-place finisher, Fishers by a 279 point advantage. Mary Catherine Pruitt held her three-year dominance in the 500 free and Devon Kitchel was the only double-winner in the 200IM and 100 Fly. Morgan Casey of Fishers won the

diving for the second straight year and Paegle of Bloomington South won the 100 Free again. Freshman, Christianson of Penn won the 50 free. Carmel took all three relays and Lueking and Berglund won the 200 free and 100 back. Lieske won the 100 breaststroke coming from lane 6. Maggie Love, Carmel was the mental attitude winner to cap off Carmel's accomplishments.

Carmel's win streak is still intact surprising no one. An amazing seven new state records were established by many and Indiana continues to be the best girls swimming state in the nation. Senior Kristina Paegle of Bloomington South was a double meet winner and she established new meet records in the 100 and 200 freestyle. Devon Kitchel of Zionsville won both the 200 IM (three in a row) and the 100 breaststroke. Freshman standouts from Carmel, Alex Shackell set a record in the 100 butterfly and teammate Lynsey Bowen tied the 2015 record in the 500 freestyle. Both girls were on the winning 400 freestyle relay. Lilian Christianson of Penn won back to back titles in the 50 freestyle breaking the record. Berit Berglund of Carmel set a new record in the 100 backstroke winning it for three years in a row. The final meet record was set by Carmel's 200 Medley relay. Center Grove Mia Prusiecki won diving and the Northridge girls placed 2,3, and 6.

Individual event champions, championship teams, runner-up teams and coaches, the top twenty all time times plus the top twenty all time individual athletes are listed in the following pages. This booklet is dedicated to those athletes and coaches who have made Indiana High School Girls' Swimming what it is today.

Multiple Win Athletes

There have been many multiple win athletes at the State Championships. In honoring these people one must remember that from 1974 to 1990 one could be entered in three events one having to be a relay, and in 1991 to 1995 one could be entered in four events two having to be relays. As you can see some athletes were limited in their number of events. There have been thirty-four double winners, seventeen three-time winners, twelve four-time winners, nine five-time winners, Five six-time winners, four seven-time winners, and an amazing five eight-time winners. They are all listed below with their years. It should be noted that eleven swimmers held a dominance in one event for four straight years, and two of these swimmers in two events. There are twenty-seven different swimmers that held a three-year dominance, two of them in two events. There are eight divers that have won two state championships.

Four Year Dominance in one Event:

| | | | |
|-------------------|---------------------------|------------|-----------|
| Lindsay Benko | Elkhart Central | 200 Free | 91-94 |
| Lindsay Benko | Elkhart Central | 100 Free | 91-94 |

Mental Attitude Award

The IHSAA Executive Committee presents an award for Mental Attitude to an outstanding senior participant who must excel in mental attitude, scholarship, leadership and athletic ability in swimming. Nominations have been initiated by the candidate's principal and coach. Farm Bureau Insurance, IHSAA corporate sponsor, will present a \$1,000 scholarship to the school in the name of the recipient.

Hobie Billingsley Award

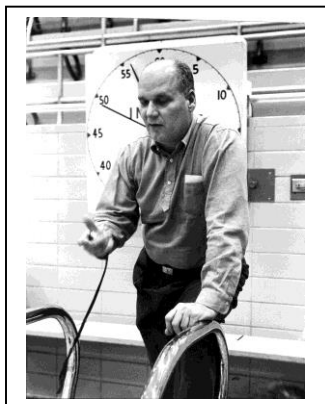

The Hobie Billingsley award represents the most esteemed honor to be bestowed upon a high school diver or coach. Hobie's many contributions to the sport of diving have been recognized at the state, national, and international levels. He began his career as a physical education teacher and high school swimming and diving coach, served as a diving coach at Ohio University and was Indiana University's first diving coach. Hobie was recognized as Diving Coach of the Year seven consecutive seasons from 1964-70. Hobie coached 14 NCAA diving champions during his tenure at IU, 14 indoor diving champions and 23 Olympic divers. He served as the Olympic diving coach in 1968 and 1972, while coaching Austria (1976) and Denmark (1980). Hobie went on to produce 115 National U.S. Diving Champions. Although Billingsley was a master teacher of national and international athletes, he remained true to the developmental aspect of the sport by conducting world renowned diving camps for student athletes and coaches of all ages.

| 2015 | Dick Brunoehler | Southport High School/Perry Meridian High School |
| 2019 | John Wingfield | |

James E. "Doc" Counsilman Award

This award was established to honor Doc's many contributions to the world of swimming. The Counsilman Award recognizes lifetime achievement, and should be considered the highest honor bestowed upon the recipient, as chosen by the Indiana Swimming and Diving Hall of Fame Committee. Doc Counsilman is considered to have been not only the greatest swim coach of all time, but also the greatest coach of any sport ever. His coaching record at Indiana University is unmatched in any sport. While coaching at IU, Doc's teams won six consecutive NCAA Championships (1968-73), and 20 straight Big Ten Titles. He coached the US Olympic swim team to unprecedented victories in 1964 and 1976. In 1968, Doc completed the long revered "The Science of Swimming" which gave the entire world access to his theories and expertise. In essence, Doc played a large role in educating all ages from club, high school, to college, both nationally and internationally. The IU Natatorium, located on the IUPUI campus, was designed by Counsilman in 1982 and is one of the fastest pools in the world. He will be remembered as a scientific genius and a master psychologist. He was the first person to tie scientific research into the coaching profession, and he backed up scientific theories with practical application. His many innovations impacted the sport in such a way that he changed the course of history.

Counsilman Award Recipients

|------|---------------------|---|
| 2007 | Charles "Skip" Bird | Valparaiso High School |
| 2011 | G. Con Keller | Lawrence Central High School/Warren Central High School |
| 2015 | Karen Leeth | Elkhart Central High School |
| 2019 | Duane Barrows | Columbus High School |

Contributor Award

The Contributor is one who has contributed to interscholastic athletics other than as a coach or athlete, based on their service in some capacity to the sport of swimming and diving in Indiana. They are an individual who may have served as an IHSAA official, the media or someone who has in some other capacity had a positive impact on the sport of swimming and diving.

Contributor Award Recipients

|------|-------------------------------|
| 2007 | Gordon McCain & Harry Inskeep |
| 2011 | Nancy Gulliver |
| 2015 | Larry Zoller |
| 2019 | Sandy Searcy |

Harry Inskeep Scholarship

Harry (Don) Inskeep was inducted in the inaugural High School Swimming and Diving Hall of Fame class in 2007. He served the IHSAA for 48 years as a swimming and diving official. He worked 50 sectionals, 7 state meets as assistant starter, 5 state meets as referee starter, 22 state meets as stroke and turn judge, and 1 state meet as the diving referee. He has worked 274 IHSAA tournaments, refereed state meets in 5 different decades, and worked in 79 counties. He officiated baseball, basketball, football, track, swimming, and cross country at the high school and college levels.

When he officiated swim meets (or any other sport) he would take the money that he made from officiating and gave that money to a college-bound senior athlete that displayed good sportsmanship and character to help with college expenses and continue sending money to these individuals throughout their college careers.

Mr. Inskeep would send many hand-written letters to athletes, coaches, teachers, and people in the community to say thanks or to congratulate you for special accomplishments. In 1995 Gov. Evan Bayh awarded him the Sagamore of the Wabash, the highest honor the state of Indiana can give to a civilian

Throughout 2006 - 2007 he was instrumental in helping the Indiana Swimming & Diving Hall of Fame Board of Directors establish the infrastructure of the organization through his fundraising efforts. Upon his passing in November, 2007, the Indiana High School Swimming and Diving Hall of Fame established a scholarship in honor of this role model and humanitarian.
